

Conditions for participating Sweet Sorrow

Competing for the Sweet Sorrow Award and the prizes is only possible by posting a video of yourself singing a song. Start your video with a short **introduction** of yourself and the **connection** to the **Sweet Sorrow Theme**.

The video must not be older than the year of the finale it is an entry for. Therefore the videos must be uploaded in the same year of the finale. A video from a year before can't be an entry for the award. This is because every contestant has the same time to gather votes.

By adding an entry to Sweet Sorrow the contestant provides Sweet Sorrow unlimited permission to publish the contribution on the website and save it in (electronic) databases and other files.

Rejected entries will not be displayed on the Sweet Sorrow Website. The submission of contributions closes on the day of the selection date. Check the site for the right date. Entries that are made thereafter will not be processed. After that the organization will select the entries that will be invited via email to give a live performance in Utrecht. Check the website for the accurate date of the concert.

The organization of Sweet Sorrow reserves the right to select and invite entries for live shows, where the Sweet Sorrow Award and cash prizes can be won, based upon personal preference, regardless of the number of Likes the entry received.

During the live performance, the participant has to sing the song of the submitted video again, downloaded from the Sweet Sorrow site, in front of a live audience and a jury. During the live concert the participant also performs a song from their own repertoire. Own songs for the concert must be linked to the theme Sweet Sorrow. Participants can, when asked to, explain the connection to the Sweet Sorrow theme during the concert. The chosen song from the participant may not be any longer than the entry song from Sweet Sorrow.

The jury determines the winner of the Sweet Sorrow Award.

The Winner of the Award will get **part of the amount** as agreed. A small amount (€500) of the amount will be given to an **charity** in name of the winner. The winner can choose the charity by choosing from the list below.

This list can change over time, so be sure to check before the final.

Each vocalist may be accompanied by an instrument. In case of multiple instruments Permission should be obtained from the organization via email.
